Our Location - Autohof Lohfeldener Rüssel

The Autohof is located directly at the A7 (Exit 79) and the A49 (Exit 2) and is therefore easily accessible for travelers, families, and conference participants, as well as visitors to the nearby exhibition grounds of the city of Kassel.

Due to its good location, the Autohof is not only easily reachable by car via the A7 or the A49, but also by public transport. The bus line 35 of the NVV stops directly at the Autohof.
